3 February 2021

All FDA Food Facility Registrations show an expiration date on 31 December of even-numbered years with FDA. Biennial re-registration of the Food Facility must be filed in the Fourth Quarter (October-December) of even-numbered years. If any of the mandatory information in a registration changes, the registered Food Facility must update the registration within 60 days of the change. Arrow Inland Corporation is not affiliated with the United States Food and Drug Administration and makes no additional representation or guaranty to the named Food Facility. Arrow Inland Corporation assumes no liability to any person or business entity in connection with this certificate of registration.
